

Panther Ram

Foundation

Power Pack Program

The Panther Ram Foundation works to complement students' academic experiences with vital programs that are needed for our student's success. The Power Pack Program sends a filled backpack home with students over weekends to provide healthy nutritional foods for them and their family.

As a nonprofit organization, we are partnering with the Power Pack Program to help provide funding to sustain and grow a needed weekend program for our students. The program has been helping students for over a year and it is making a difference. It is helping minds to flourish and thrive. Please help us!

We need you--a business, alumni or private individuals with an interest in quality education and the future of our community--to help us with our mission to sustain the Power Pack Program.

Yes, I will help make a difference for the Power Pack Program!

Please accept my charitable contribution in the amount of:

\$12 _____ \$50 _____ \$100 _____ \$500 _____ other \$ _____

Name _____ Email _____

Address _____ City _____ State ____ Zip _____

Phone _____ If applicable, please check the following:

I am a relative of a student ____ and/or Graduate ____ at CD ____ or CDE ____ Class of _____
year
